Dear Mr. Dexter,

Thank you for your letter of 18th February.

Your loggings at around 06.00 G.M.T. could not have been Radio Gambia as we were not on the air at that time. However, Mr. Jensen's logging at around 23.00 - 24.00 G.M.T. has been positively identified as being Radio Gambia. Consequently, if your details coincide with his, your logging can definitely be said to be of Radio Gambia. I am enclosing, for your interest, a copy of our programme schedule for the week of our recent Independence Celebrations.

I was most interested to receive the information that you sent on your own radio station. Please give Radio Gambia's best wishes to the staff of WBKV.

With kind regards,

Yours sincerely,

(A.P. Cox)  
Broadcasting Adviser
