Dear Sir,

Very many thanks for your letter of
21st October, 1978 regarding Report of Reception
on Radio Tanzania - Zanzibar.

We are pleased to confirm that you heard our
station on January 10, 1972 broadcasting on
3.339 MHz, 89.85 meters, from 0331 to 0359 hours
Greenwich Mean Time (GMT) or 6.31 a.m. to 6.59 a.m.
local time.

The details you have provided correpond with our
programming. Our transmitter is 10,000 watts in
power, with Non-Directional Antenna.

However, I would request you to write to the
Director of Broadcasting, P. O. Box 1178, Zanzibar
Tanzania instead of to the Minister of Broadcasting.

Thanking you once again.

Yours Sincerely,

(Muhammed Juma)
