

THE SUNSHINE STATION GREET'S YOU

DUBAI RADIO AND COLOUR TV,
EXTERNAL SERVICES,
P.O. BOX 1695,
DUBAI, UNITED ARAB EMIRATES.

Dear Mr Dexter.

Thank you for your report on our short wave transmissions.
It is greatly appreciated by our engineering and programme
staff.

Our Short Wave Transmitting facility comprises three 300 Kw
Marconi automatic transmitters driving four band curtain
arrays. The station is located 40 Km from the modern city
of Dubai in the heart of the desert. It is linked with the
Studio Centre in Dubai with UHF programme links.

We hope soon to be directing regular broadcasts into your
area.

This letter acknowledges your reception report which contained
the following details, all verified :-

Date...5. August. 1980..... Time (GMT)..0241.-0306.....

Frequency (KHz)..21.700.....

Chief Engineer.
