Dear Mr. Dexter,

Thank you for your report of reception of the BBC East Asia Relay Station, Hong Kong, on 16th October 1987 on 7180 kHz which I confirm as correct.

The station opened on 27th September, we have 2x250kw Transmitters and 4 Wideband Arrays, serving primarily North China, Japan and Korea. The BBC in Bush House will provide more details if you want ones.
