Dear Shri Gerry L Dexter,

Thank you for your letter dated 9.1.1973. I am pleased to confirm your report contained in the letter. Your keen interest in listening AIR Bhopal is very much appreciated specially since you happen to be a broadcast man. *Col brother in broad casting*

Ours is a Regional Shortwave Station with an output power of 10KW (unmodulated) radiated through 7/16 aerial (dopele). This transmitter operates on 3315 kHz from 0630 to 0745 hrs and from 17.30 to 22.30 hrs IST. 17.30 hrs IST corresponds to 12.00 hrs GMT.

We hope to hear from you in future also.

With regards and wishes,

Yours Sincerely,

Joginder Singh
