DATE 14th May, '75

Dear Sri Dexter,

Please refer to your letter dated 5th May, 1975. All India Radio, Hyderabad had received your Reception Report for 9th January, 1974 and confirmation was sent to you through a QSL Card.

Your letter dated 12th January, 1975 was forwarded to All India Radio Hyderabad by the Director, External Services Division, All India Radio, New Delhi. In reply to the same, this Station has again confirmed your Reception Report on 23rd January, 1975 in the Post Card (enclosed along with your letter) under Certificate of Posting. As desired by you, however, I am again sending a QSL Card confirming your Reception Report.

I am herewith returning the stamps pocket which you have sent us, perhaps by mistake, as they are not Indian stamps, and more over used Japanese ones.

Thank you very much for your interest in listening to this Station and I hope you will continue to take the same interest in future.

Thanking you once again,

Yours sincerely,

(A. RAMALINGAM)

Encl: One QSL Card &  
Stamps Pocket.

To

Sri Gerry L. Dexter,  
RR4, Box 80-D,
