Dear Mr. Dexter,

With many thanks we have received your letter of August 15, 1953 reporting on the reception status of our international broadcasting operating on 15135 kcs. I take pleasure in confirming your report with our verification card.

For your future guide to reception of our station we herewith enclose copies of our schedule for international broadcasting as of Sept. 1, 1953. We are also sending you under separate cover a copy of our folder entitled "Radio Japan." We hope these will be of some help to give you a general picture of our station activities.

We are glad to inform you that since the 1st of August we have expanded our oversea services from 5 transmissions to 10 as per enclosed sheets. We would be much obliged for your further information especially on the newly added transmissions.

Grateful for your interest in our station and hopeful of your continued favor, we remain

Very truly yours,
