## Programmes of Radio Korea

### *News and News Commentaries*

The news and news commentaries which account for 52 per cent of Radio Korea report and discuss current happenings affecting the Korean peninsula and the world. These features deal with the nation's domestic and international situation, reflecting accurately and with objectivity the views of the Korean government and people.

### *Information Programmes*

These programs are designed to tell you about various aspects of the Korean way of life, events and happenings taking place in the Republic, people, tourist attractions and, any other items which will interest overseas listeners. Included in this category are "Listeners' Corner," "Korea in Progress," "KBS Salon," and "Sunday Magazine."

### *Cultural Programmes*

These feature Korea's culture, past and present. The primary aim of the programmes is to give listeners some idea of the traditional and contemporary culture of this Land of Morning Calm by introducing various aspects of art, customs, cultural activities and facilities as well as providing an introduction to the history of Korean culture.

### *Music Programmes*

Representative of Radio Korea's music programmes is "Melodies of Korea," which covers Korean music from the traditional and classical to the modern lyric and current pop-songs. Musical instruments unique to Korea are also introduced on this programme.

We are always eager to hear from you wherever you may be. In return for your interest we will send you QSL cards, letters and other mementos of Korea and KBS. The entire staff of Radio Korea looks forward to hearing from you and we offer you our warmest greetings.
