Dear Mr. Dexter,

I would like to say thank you for your listener's report on our short wave broadcast on 6130 KHz on 15th September 1974, between 1141 and 1218 GMT. Also, may I personally say thank you for a photograph of <sup>your</sup> remarkable listening post, a post card and some lovely stamps.

From your description of the time and programme contents, may I confirm that your reception was of our station. The transmitter is a Phillips 8FZ513 rated at 25 KW feeding a quadrant aerial. It is situated at about 6 Kms from the studio in the centre of Vientiane.

Thank you in taking interest in our broadcast.

Sincerely yours,

Phiengpheng  
Technical Controller
