Mr. Gerry L. Dexter,  
Rt.1, Maple Road,  
Lake Geneva,  
WISCONSIN, 53147,  
U.S.A.

Dear Mr. Dexter,

CONFIRMATION OF RECEPTION REPORT.

Thank you for your letter of March 16th, referring to your reports of November 2nd and 3rd., and in reply we would advise you that we have not received the reports you mention; we do keep accurate records and a thorough search has been made.

However, from your duplicate report, we have pleasure in confirming your report of November 1st, 1968; we cannot confirm your report of November 2nd as this does not sufficiently agree with our station logs.

Interference free reception cannot be expected from so far outside our target area which is a 2,000kms. radius from Doha and meant to cover the neighbouring Arabic countries.

Thank you for your enclosures, and we enclose details of our station, which may be of interest to you. Your interest in our station is appreciated and we wish you the best of luck in your shortwave listening.

With kind regards,

Yours sincerely,

  
TAHER SHIHABI,

Deputy Director,  
Department of Information,  
(Broadcasting).
