Dear Sir,

I am writing to thank you for your reception report of our transmission, lovely viewcards and stamps. The reception report is verified as correct as per QLS card enclosed.

I am glad to learn that you are also in broadcasting and it was really a treat to read your interesting letter.

Singapore is an island with an area of about 360 sq.miles with bright and sunny weather throughout the year. Our country is also very popular as a tourist resort and thousands of them from all parts of the world visit us each year. I am enclosing a booklet which will give you a fair idea about Singapore.

Once again, thank you for writing to us and showing interest in our broadcast.

With best wishes that you could wish for yourself.

Yours sincerely,

(G. O. D'Souza)
