

FORTALEZA, DECEMBER, 16, 1978

DEAR MR. DEXTER,

THANK YOU VERY MUCH FOR YOUR LETTER DATED NOVEMBER, 26, 1978 WHICH TELL US ABOUT THE RECEPTION OF OUR RADIO IN YOUR SO DISTANT LAKE GENEVA. WE HAVE BOUGHT RADIO DRAGÃO DO MAR THE LAST SEPTEMBER 01 AND YOU CAN IMAGINE OUR INITIAL WORK TO GET THE THINGS (THINGS) TOGETHER IN OUR WAY. WE HAVE TWO STATIONS, THE ZYH23 - 4.925 KHZ YOU HAVE HEARD AND A AM, 690 KHZ. WE HAVE / ABOUT 35 EMPLOYEE. IN FORTALEZA, CAPITAL OF THE STATE OF CEARÁ, WE HAVE SIX AM STATIONS AND WE ARE WORKING HARD IN ORDER TO GET ONE OF THE BEST PLACES (NOW, WE ARE IN THIRD TO FORTH BUT WE / ARE IMPROVING A LOT). THE MAIN ASSOCIATE TO THE RADIO IS SENATOR CESAR CALS A FORMER GOVERNOR OF THE STATE IN THE PERIOD 1970/74.

I HAVE LIVED IN YOUR COUNTRY FOR TWO YEARS, IN 1965 / 66, IN NEW HAVEN, CONN., BUT BY NOW MY ENGLISH IS NOT SO GOOD / SINCE I HAVE PRACTIZED VERY LITTLE (AND EXCUSE ME I HAVE NO TIME TO CORRECT THIS LETTER...).

I WONDER ABOUT THE PROCESS OF MODERNIZATION OF RADIO EQUIPMENT IN THE USA IN THE PRESENT DAYS. IS THERE A LOT OF MODERNIZATION SO WE COULD, MY BE, TO BUY SOME GOOD (STILL GOOD) SECOND HAND EQUIPMENT AT A LOW PRICE? WE ARE VERY INTERESTED IN BUYING EQUIPMENTS SINCE WE COULD AVOID THE HIGH IMPORT TAXES WE PRESENTLY HAVE. IF YOU HAVE SOME INFORMATION, LET US KNOW.

WE ARE SENDING TWO POST CARDS OF OUR CITY AND A COUPLE OF POST STAMPS WE HAVE RECEIVED IN THE LAST DAYS.

SINCERELY YOURS,

LUIZ SERGIO G. VIEIRA

ASSISTANT DIRECTOR
