Dear Colleague,

We didn't really receive your report dated April 27 of this year which you sent us some time ago. However, we have with us your second letter attached to a copy of your report, which conveys us a great satisfaction on learning that our message has been heard in a friendly country as your country is, and we also feel happy on learning that our program has pleased you, our colleague.

We thank you very much for the words of eulogy you expressed to our works, and inform you that your report of hearing is entirely correct, which is confirmed through our broadcast of that day.

We are very pleased to inform you that RADIO EDUCADORA has changed its management. Henceforth it is linked to the " Z - PUBLICIDADE DO AMAPA LTDA AGENCY " under the direction of Mr. Jose de Matos Costa, the Superintendent Director. Owing to that changing, our Broadcasting Station is known to our listeners as RADIO EDUCADORA DE MACAPA.

Attached, we enclose some data of our Broadcasting Station.

Sincerely,

JOSE BARRIOS MACHADO
