World Vision do Brasil

Dear Sir,

With great pleasure we received your letter where we could observe your interest in our transmissions.

We're glad to report that, in a few months, we'll be transmitting in 6015 Khz what means a great area of propagation.

Our equipment is

MW - 610 Khz - Collins transmitter - 10 KW

TW - 4085 Khz - Morato transmitter - .5KW

Being honoured in receiveing your letter and wishing for other words of yours about our Radio Station

Sincerely yours

  
Rádio Itatiaia
