

TELECOMMUNICATIONS DEPARTMENT
P. O. BOX 48 - TELEPHONE 2779
NASSAU, BAHAMAS

REF. _____

26th January 1953.

Mr. Gerry Dexter,
375 Derbyshire,
Waterloo, Iowa,
U. S. A.

Dear Sir,

With reference to your undated letter referring to a test transmission you heard on January 20th on approximately 4.5 mc, we wish to inform you that the frequency was 4.5125 mc, a frequency used by this Government for R/T communication between Nassau and the U.S.A.

Yours truly,

B. A. Andrews,
Overseas Supervisor.
