Dear listener,

Greetings from Argentina! We are pleased to receive your reception report, and we are verifying your report with the QSL card of this program. We trust that you will tune us in again sometime in the future.

As you may or may not know, Trans World Radio stations around the world each concentrate on the target areas which they can best serve from their location, This means that for us here on Bonaire, in the Caribbean Sea, in the North coast of Venezuela.

"Monitor DX" is produced by the Grupo de Escucha de Buenos Aires, (Buenos Aires Listeners Group) GEBA, and is aired from June 6, 1989 and we receive many DX reports from all American Continent and Europe.

Gerry, I trust you have found the true meaning of life that only the Lord Jesus Christ can give. Well, keep tuned in, and keep in touch.

Regards
