Dear Mr. Dexter,

Thank you for sending me a report on the Windward Islands Broadcasting Service.

As you mentioned in your letter, we broadcast on a frequency of 3.395 mc/s in the 90 metre band using a power of 5 kW. The Station is particularly directed to the four Windward Islands - Grenada, St. Vincent, St. Lucia and Dominica. We are on the air at the moment every evening from 6.00 to 9.00 p.m. except Saturdays.

Thanking you once again for your interest.

Yours sincerely,

  
(L.M. Stapley)

Manager and Programme Director.
