February 16, 1966

Mr. Gerry L. Dexter
Dear Sir:

PROVISIONAL QSL ACKNOWLEDGEMENT

By this provisional means and until we obtain our permanent license for operating in the 60-meter band, we wish to acknowledge gratefully your accurate reception report dated February 12, 1966, in which you tuned in our program "Concierto Nocturno" "La Biblia Abierta" which was aired on the 11th of February 1966, at 8:30 p.m. hours Honduras time, or 0230 hours GMT. You tuned us in on our shortwave frequency provisionally assigned to us for test transmissions of 4820 kcs., 60 meters. 8:45 p.m.

Thank you so very much for your good report and we hope that soon we'll have full licensing for this frequency and also be able to send you our regular QSL card. Good luck on your DX-ing and hope you hear more of our broadcasts as well as other stations down this way!

(By the way, we are presently operating with approx. 3.3 kw of output at the antenna.)

Sincerely yours,

David R. Jones, Station Manager HRVC

Mil gracias por su banderín y por su amplio informe. Estamos apenas comenzando en Onda Corta, y por lo tanto no podemos ofrecerle una tarjeta bonita QSL, pero siempre le agradecemos su sintonía y su reportaje, y deseamos para Ud. y para sus colegas los más grandes éxitos en su emisora AM-FM, WBKV.

... "dedicada a estimular la vida espiritual"

H. R. V. C.
