April 23, 1980

Mr. Gerry L. Dexter:

I am very pleased to receive your letter. The signal that you have received is of BPV. Now, a complete emission program of BPV signal is given as follows:

1251:30--1254:30 Morse code (station identification)

1255--1300 100ms pulse of 1000 HZ tone, once a second, minute pulse lengthened to 500ms.

1300:10--1300:30 1000 HZ tone

1301--1306 100ms pulse of 1000 HZ tone, 61 times a minute, minute pulse lengthened to 500ms.

1306:10--1306:30 1000 HZ tone

I consider it will be useful to you. I look forward to get further information from you.

With best regards

Yours sincerely  
Cai Jianxiang
