Dear Mr. Dexter:

Reference is made to your letter dated 3 October 1982 with regard to Radio Antorcha Martiana Transmissions.

This is the first notice we have had of you. We did not receive your previous letters or communications.

On the other hand we are more than glad that Antorcha is being heard by you and others besides the intended ones, the Cubans. The news we are broadcasting to our people in Cuba only pretend to inform them what the red regime there had prohibited.

We have nothing to hide or to be afraid of since we feel we are doing what the well-being of our country is demanding no matter what others may think political wise.

With sincere expressions of gratitude for your sympathy to the cause of the Cuban freedom, I remain.

Very truly yours,

Arturo G. Caraballo
Secretary of Propaganda
