Dear Mr. Dexter:

The DIRECTOR has asked me to personally thank you for your most excellent and detailed reception report.

I have been further advised that the DIRECTOR wishes to know if you think it would be in our best interest to review our current QSL policies. You may contact us with this information through our esteemed associate, Genny.

And the DIRECTOR would be pleased if you could forward at least three reception reports for a four or five week period. These reports should be mailed to our associate on a weekly basis.

Our struggle is endless, Genny! The DIRECTOR often grows weary in his battle against The Prince of Darkness.

The DIRECTOR also wishes more specific information in regards the radioteletype QRM if at all possible.

Thank you, Genny, for your time, interest and effort. Our cause will live, Genny!

Warmest regards,

H.L. Hunter
