Dear Mr. Dexter,

Our London office has forwarded your letter to us. While expressing our pleasure over your expression of solidarity with the Mojahedin, we wish to inform you that having been broadcast for five years, programs of the Voice of Mojahed (the radio program of the People's Mojahedin of Iran) are basically designed to educate the people of Iran and to inform them of the latest news, events, domestic and international activities of the Resistance and to expose the atrocities of the Khomeini regime.

We appreciate your interest to hear the Voice of Mojahed in English. It is our hope that by sending you pamphlets and other publications of the Mojahedin, including Iran Liberation, the News Bulletin of the People's Mojahedin of Iran, we can bring you up-to-date news on the activities of the Iranian people's Resistance for peace and democracy; a Resistance which has so far endured 50,000 executions and the imprisonment of 140,000 of its members and sympathizers by the Khomeini regime.

We hope that with the overthrow of the Khomeini regime and the establishment of peace and democracy in Iran, we would be able to produce radio programs in English and realize your request.

We thank you again for your solidarity with the Iranian people's Resistance and wish you all the success.

Sincerely yours,
Moslem Iranian Students Society - USA
