

## MOZAMBIQUE INFORMATION OFFICE

25 "E" Street N.W.  
8th Floor  
Washington, DC 20001

20 August 1987

Dear Mr. Dexter,

Thank you for your card of the interesting information about "The Voice of Free Africa".

Enclosed is some of our literature and we'd appreciate keeping in touch.

You'll be interesting to know that President ~~Dhlakama's~~ special request for assistance included a small mobile radio station so that he can again broadcast to the Mozambique people to counteract communist propaganda.

With best regards,  
The struggle continues

Tom Schaaf
