ADVANCE TO PEOPLE'S POWER!

30th June, 1987.

Dear Sir,

I hereby wish to acknowledge receipt of your letter dated 31st May '87 which includes copies of other letters written to us.

I apologise most sincerely for being unable to respond to your letters at your earliest convenience.

Firstly, I would like to say that the broadcast you refer to from Gabon in French over "Africa No. 1" could not have been a Radio Freedom broadcast. The reason being that we do not broadcast from Gabon or in French. However, it is possible that you listened to a programme on South Africa produced by "Africa No. 1" in Gabon.

In relation to the other broadcasts from Voice of Revolutionary Ethiopia on 9595khz- I am happy to say that these are indeed Radio Freedom broadcasts.

Radio Freedom, the voice of the ANC- broadcasts from five(5) countries- Ethiopia, Zambia, Angola, Tanzania and Madagascar.

May I in conclusion assure you that we deeply appreciate letters from foreign listeners and their comments and opinions on our broadcasts. Let me once again express our gratitude for the effort you have made to communicate with us.

Sincerely yours,

Don Ngubeni

- Director of Radio Freedom.
