Sofia ,20.10.1988

Dear Mr Dexter,

Thank you very much for your letters dated January 24th 1988 and July 4th 1988, including two reception reports of the Stolnik home service shortwave transmitter. I would like to inform you that unfortunately this radio station does not have the practice of verifying reception reports of our home service either in the country or abroad. Your reception reports, however, have been checked and found correct. I sincerely hope that you will find our verification of your reports of 17.09. 1987 at 03.00-03.30h. GMT on 7670 Khz in this letter satisfactory.

I am sending a programme schedule of the English Section Foreign Service of Radio Sofia, together with some printed matter on this country, which you will receive under separate cover. I hope you will find that interesting and informative. Any questions you might have on life in this country will be answered with pleasure. Also your comments on our programming (hope you will become a regular listener of this station) are welcome.

Hoping to hear from you soon and wishing you all the best,
I remain,

Sincerely yours,
In Charge of Listeners' Letters
