Dear Mr Dexter,

I am writing on behalf of don Guido Todeschini, the director of Radio Pace, to thank you for your letter of April 4 in which you report reception of Radio Pace and give full details all of which I confirm with this letter.

In answer to your query, Radio Pace is a Catholic station which started here in Italy about four years ago. Then a couple of years ago it branched out into a television station as well which is quite widely followed in the north of Italy. The short wave transmission, primarily intended for Italian missionaries and emigrants, only began this year.

Thank you once again for writing and for the dollar you enclosed and I send you very best wishes from all of us at Radio Pace.

Yours,

~~Timothy Holme~~
