Dear Sir,

Many thanks for the reception report you were so kind to send us on our short wave transmissions.

We checked your report and we have the pleasure to tell you that it corresponds to our programme broadcasted on 4th December 1956 from 6.37 to 7.37 GMT.

We should be very grateful to you if you would be good enough to go on listening in to our station and give us further reports from time to time.

Very truly yours,
