Dear listener,

Thank you for your letter as well as for your interest in our programmes.

We are sending you by separate mail the latest schedule of our broadcasts in English and have placed your name on our regular mailing list. The broadcast you heard was a relay from our station in Barcelona. It was a relay of the domestic network and is aired regularly in Spanish. Most of our other stations in other cities do not relay with Madrid so often.

Hoping to hear from you again, we remain,

yours sincerely

Pilar Salvador M.
