### JUGOSLAVIJA

#### SARAJEVO IN BRIEF

A city of over half a million inhabitants. Capital City and centre of the Socialist Republic of Bosnia and Herzegovina (one of the six Republics that make up Yugoslavia). Geographical centre of the country. Political, economical, scientific, cultural and sports centre of the Republic. 24 University Colleges — over 30.000 students. Many museums and arts galleries. Numerous monuments of history. As they say, a blend of the old and new, of the East and West, preserving the past centuries.

Beautiful at any time of the year, but perhaps most beautiful when covered with snow. Many marvellous mountains — endless possibilities for tourism and skiing.

First broadcast by Radio-Sarajevo — 10th April 1945 — only four days after the liberation. Nowadays, RTV Sarajevo transmits over 50 hours of Radio and TV programmes a day.
