DEAR SIR, Thank you for your reception ~~xxxx~~ report on VJY. on the 14th November 1984. This confirms you were listening to VJY on 6840kHz. This TX relays the ABC 15 min news service twice daily for 'outback' cattle stations and others who can not receive the normal broadcast band ABC Transmissions.

Thanking you for your interest and wishing you GL DX in 1985. Henry Andersson for ABC DARWIN
