Dear Sir,

We hereby verify your reception report of Radio Eastern Highlands on the 24th and 25th of September, 1976 as being correct.

Both the programmes received are live musical request, a programme which tops popularity in any Radio Stations here in Papua New Guinea.

Provincial Stations of the PNG National Broadcasting Commission have weekly uniform broadcasting hours. Commencing in the morning at 0500-0800am and then at night from 1700-2200pm hrs PNG time.

We'll shortly be extending the evening hours to 2300 hrs per week.

I am happy to learn of your status with WMIR.

At Radio Eastern Highlands, I have much the same responsibility as yours as well as being the Administrator of the Station. Policy matters however are instigated from the top.

We apologies no QSL cards are available but hope this letter will serve to officially state your report as being correct.

Yours faithfully,

A.R. NASE
Station Manager
