Dear MR DEXTER,

Thank you for your reception report of Radio Northern District on the 17th of July 1974 on 2468 KHZ at 954 hours G.M.T. Your report is ~~is not~~ verified.

All announcing and presentation is done by Papua New Guineans. Programmes are designed exclusively for the people of Papua New Guinea. They range from traditional and 'pop' music, features on health, agriculture, business and children's programmes to broadcasts of local government council meetings, local and overseas news and current affairs programmes. Maximum use is made of area languages. Technical services are provided by the Papua New Guinea Department of Posts and Telegraphs in co-operation with the Postmaster General's Department of Australia.

Yours sincerely

.....
Station Manager

Radio Northern District....
