Dear Mr. Dexter:

First of all, please accept my apologies for the delay in answering your kind letters. Anyway, it was very pleasant to hear from you and from that great country of yours.

Your reception was completely correct and accurate, and I'm glad to know you were pleased with our programs.

Radio Continental will celebrate its 30 th birthday on October 11 th the present year. and since 1962 Continental has its own Televisión station which operates on channel 6, and through which we cover most of the southern región of the country. I'm enclosing a Channel 6 banner; unfortunately, we have run out of "CONTINENTAL" banners at the present Time.

Again, I thank you for your nice post cards and brochures. Hoping to hear from you soon, I remain at your service.

Sincerely

Enrique Umbert S.
