Dear Mr. Dexter:

Sorry to keep you waiting so long for an answer to your signal report of our station. Your letters must have lost in the mail as they so often do here in the Peruvian Jungle.

We want to take this opportunity to thank you for your fine, detailed report and trust that this letter will serve as a QSL report. We have no cards as we very seldom receive reports like yours. The details of your report were all correct.

One again, thanks for your information and patience.

Sincerely yours,

Floral Rodriguez R.
