Hello Gerry,

Thanks for your report. I'm glad to hear we sounded so good in Wisconsin. I was impressed with your SINPO rating. We received several reports from DXers who said intelligibility was 100%, and that is what is really important.

I hope this letter reaches you in time to wish you a very Merry Christmas and a Happy New Year!

sincerely,

E. McC

ps. You're doing a great job for Pop'Commmmmmm.
