

A black and white photograph of a mountain valley. In the foreground, a large, dark pine tree stands prominently. The middle ground shows a wide valley with a lake or reservoir in the distance. The background features rugged mountains with some snow patches under a cloudy sky. The overall scene is a scenic landscape.

Thank you for your useful report,
Gerry. We are a group of young
White men and women dedicated to
disseminating the truth about
our race's perilous situation.
Every formerly White nation on
Earth is being flooded by non-
White immigration -- and every
ruling elite, East or West, is
committed to a policy of multi-
racialism and "integration" which
ultimately means extinction for
our race.
